Visit Thief River Falls (formerly known as the Thief River Falls Convention & Visitors Bureau, Inc.) is funded solely by the *3% Lodging Tax (Statute § 469.190)* that is collected from overnight visitors at all seven hotel properties in Thief River Falls, as well as the city campground. This tax is collected by the City of Thief River Falls and 95% is passed along to Visit Thief River Falls monthly. These lodging tax dollars are used to market the entire community. There are no membership dues or fees assessed from individuals or businesses.

The objective of Visit Thief River Falls shall be to promote the Thief River Falls area as a destination for conferences, conventions, events, group tours and leisure travelers; thereby enhancing the economic growth of the area.

CRITERIA:

Event Marketing Sponsorship funds are to be used to attract out-of-town visitors to Thief River Falls. This funding must be used to fund marketing and promotion of events in media that reaches primarily out of town visitors. Priority will be given to events that encourage overnight visitation. Events must also be open to the public.

ELIGIBILITY:

Request must comply with the lodging tax parameters that Visit Thief River Falls must operate within.

State of MN Office of the Attorney General - Lodging Tax Statute § 469.190:

"Ninety-five percent of the gross proceeds from any tax imposed under subdivision 1 shall be used by the statutory or home rule charter city or town to fund a local convention or tourism bureau for the purpose of marketing and promoting the city or town as a tourist or convention center."

Use of Lodging Tax According to the Office of the Attorney General:

(Material below provided by the MN Association of Convention and Visitors Bureaus)

"...we have been of the view that 'marketing and promoting' the city for purposes of lodging tax expenditures includes activities directly related to providing information concerning tourist or convention assets of the city to persons outside the immediate area or in directly seeking to attract such persons to the city, but does not generally include creation of such assets or the support of community betterment in general. In light of the fact that the revenue in question is raised by taxation of hotels, motels and like tourist facilities, *it is likely that the legislature intended that the restricted 95 percent be used in ways calculated to directly attract persons likely to patronize such facilities as opposed to uses which generally benefit the city as a whole.*"

"...Certainly, advertising or similar efforts to make tourists or convention planners from outside the area aware of local events such as the fair or sporting events would appear to be legitimate marketing or

promotion. *If, on the other hand, the result of the expenditures is simply to assist the event in general or in some way that would not reasonably be seen as calculated to attract additional people for tourism or convention business, they would not likely qualify.*"

Events that give political gain to any organization or individual are ineligible. Events that have already occurred are ineligible.

Being Visit Thief River Falls is funded by the *3% Lodging Tax* that is paid by out-of-town visitors (collected at all seven Thief River Falls hotels and the city campground) the event must attract out-of-town visitors.

The following marketing expenses are eligible for funding: 1) Printing & postage of promotional materials, and 2) Marketing, advertising and promotion of events in markets that have over 50% of their coverage 50 miles outside of Thief River Falls. *Local media is ineligible (For example: TRF Radio, TRF Times, Northern Watch).*
